

Antibody Datasheet

Product Name:	Mouse anti Plasmodium vivax MSP1
Clone number:	PVM-2
Isotype:	Mouse IgG2b
Product code:	MAB12364-100 MAB12364-500
Batch Number:	
Amount:	0.1mg 0.5mg
Concentration:	Batch specific
Buffer:	Phosphate Buffered Saline pH7.4
Preservative:	0.09% Sodium Azide (NaN ₃)
Purity:	Purified by chromatography on protein G Sepharose.
Specificity:	Plasmodium vivax merozoite surface protein 1 (MSP1).
Applications:	ELISA, Western blotting For Research Use Only. Not intended for diagnostic use.
Secondary reagents:	Goat anti mouse IgG:HRP (PAB21441HRP)
Storage:	+4 °C (+2 ... +8 °C). Antibody is shipped at ambient temperature.
