

## Antibody Datasheet

<b>Product Name:</b>	Rabbit Anti Enterovirus Polyclonal Antibody
<b>Product Type:</b>	Polyclonal antibody
<b>Product code:</b>	PAB21467-500
<b>Batch Number:</b>	
<b>Amount:</b>	500 µg
<b>Physical State:</b>	Liquid
<b>Buffer:</b>	PBS pH: 7.4, 0.09% Sodium Azide (NaN <sub>3</sub> ).
<b>Purification:</b>	Polyclonal antibody has been purified in a multi-step procedure.
<b>Purity:</b>	≥95% pure by SDS-PAGE.
<b>Specificity:</b>	Specific for Enterovirus protein detection, including VP1 and VP3. Detects recombinant VP1 enterovirus antigen from groups A, B, C and D.
<b>Storage:</b>	2-8°C.
<b>Intended Use:</b>	Immunoassay development, lateral flow. For Research Use Only. Not intended for diagnostic use.
