

Antibody Datasheet

Name: Mouse Anti Bovine Coronavirus Spike Antibody (5A4)

Product Code: MAB12430-100 / MAB12430-500

Product Description: Mouse monoclonal antibody against bovine coronavirus.

Clone Number: 5A4

Isotype: IgG1

Batch #:

Amount: 100µg / 500µg

Concentration: 1.0 mg/ml

Presentation: Liquid

Buffer: 1XPBS, pH7.2

Preservative: 0.01% Sodium Azide

Immunogen: Purified bovine coronavirus.

Purification: Protein-A Sepharose

Specificity: Bovine coronavirus

Applications: WB, ELISA, IFA

Usage Guidelines

Short Term Storage: ≤3 months at +4°C

Long Term Storage: -80°C

Products are for Research Use or for Further Manufacturing Use only. Not for Diagnostic or Therapeutic Use.
