

Antibody Datasheet

Name: Rabbit IgG Anti HCoV-NL63 Spike (S1) Polyclonal Antibody

Product Code: PAB21479-100 / PAB21479-500

Batch #:

Date of Manufacture:

Product Description: Polyclonal antibody against human coronavirus NL63.

Isotype: IgG

Amount: 0.1 mg / 0.5 mg

Concentration: 1.0 mg/ml

Presentation: Liquid

Buffer: PBS, 0.2µm filtered.

Preservative: 0.09% Sodium Azide

Immunogen: HCoV-NL63 spike subunit 1 (S1), REC31896

Purification: Protein Affinity Chromatography

Specificity: HCoV-NL63 spike subunit 1 (S1). Cross-reactivity with other HCoV proteins has not been determined.

Applications: ELISA

Application Notes: Working dilution must be determined by the user. Suggested starting ranges are 1:1000 for WB, 1:1000-1:3000 for ELISA.

Usage Guidelines

Short Term Storage: +4°C

Long Term Storage: -20°C

Storage Guidelines: Avoid freeze/thaw cycles
