

Antibody Datasheet

Name: Human IgM Anti SARS-CoV-2 Spike (S2) Antibody (CH1)

Product Code: MAB12490-100 / MAB12490-500

Batch #:

Date of Manufacture:

Product Description: Recombinant humanised version of the mouse monoclonal antibody [MAB12447](#). Antibody is specific for SARS-CoV-2 spike subunit 2 protein.

Clone Number: CH1.D11.H7.B11

Isotype: IgG1 Kappa

Amount: 0.1 mg / 0.5 mg

Concentration: mg/ml

Presentation: Liquid

Buffer: Phosphate Buffered Saline, pH 7.4, Filter Sterile

Purification: Ion exchange chromatography and ammonium sulfate precipitation

Specificity: Antibody is specific for SARS-CoV-2 spike subunit 2 protein.

Usage Guidelines

Short Term Storage: +4°C

Long Term Storage: -20°C

Storage Guidelines: Avoid repeat freeze-thaw cycles
